**THE BIBLE:** It is used to describe books of Old & New Testaments. It comes from Greek *biblos* meaning book. Difference between OT & NT Hebrews taught that Christ brought a new & better Testament, Heb 7:22, 8:6-13, 9:15. OT is divided into three groups: Law, 1st 5 books of Moses known as Torah & Pentateuch. Prophets, 21 books - major & minor OT Prophets. Writings - 13. The NT of 27 books that naturally divide into 4 parts: 4 Gospels, Acts, Epistles & Revelation. Epistles are 21 books of teaching. 13 are Pauline Epistles. 8 Epistles called General Epistles written by other Apostles/ Prophets. Hebrews written by unknown writer. The Bible is a remarkable book. Its Teachings Divinely Inspired. Non-believers account for the Bible on natural rather than supernatural grounds. The doctrine of Inspiration asserts that Bible revelation did not & could not originate in the mind of man. The Bible claims to be "inspired" meaning "God breathed" cf: II Tim 3:16. It claims Holy men of God "spake" "carried along" by Holy Spirit, II Pet 1:20. Scriptures did not originate in the human mind. They are not a human product & cannot be accounted for on natural grounds. Bible miracles are contrary to ordinary human experience, but they are not contrary to reason. With God, miracles & the extraordinary are not contrary to reason. It isn't that the Bible is different from other religions because man evolved in his thinking & became better. Concepts found in the Bible completely differ from societies of the ancient world. It is not that the Bible is simply a better revelation than Egyptian, Greek, Babylonian, or Roman religion. Truth is: Bible is altogether true while others are altogether false.

We bring you greetings from our team in Madagascar. Great news! The transmitters in Madagascar are fully installed! We still have work to get various computer and electronic systems in place, and that will take a few weeks. The next step after that requires our engineers to put the new equipment, radio frequencies and antennas through several weeks of testing. Not long after all this is accomplished, we can begin broadcasting an additional 11 hours of daily broadcasts from Madagascar in early 2016. Be prayerful about the new programs in Arabic, English for Africa along with broadcasts in Russian, Chinese, Spanish and English to new areas of the world . God willing we will be one of those hours - \$ is pledged & budgeted
