Church History

The history of man shows he soon departs from God's way. The first departure in the history of the church was how Churches were governed. God's plan was autonomous congregations cf; Daniel 2:44. Scripture also teaches elders/bishops have oversight of local congregations. I Tim 3:1ff & Titus 1:5ff By 150AD men began to designate 1 man as a bishop & he was over an area of several churches called a diocese. Acts 20:28-30 ,I Peter 5:1-4 & Hebrews 13:17. Constantine ended the last persecution in 312AD & called a Church council at Nicea in 325AD. Bishops then adopted the first man made creed called the Nicean Creed. Catholic 606AD Boniface III took the title of Pope (pappa) or Universal Bishop of Roman Catholic Church. Col. 1:18, Matt.16:16-18, II Tim 2:15, Matt. 23:9, Eph 2:8. Matt n6:7 Shortly Rome made laws: Latin to be only language of scriptures. Greek Catholic split from Roman Catholic in 1054AD. They kept false doctrines of Rome except they have: No Popes, Priests may be married & they have a cappella singing without instruments. 1384AD John Wycliffe produced hand written translations of the bible into common English based upon Jeromes' Latin Vulgate translation. He died a natural death, but 44 years later under Pope Martin V, Wycliffe's bones were dug up & burned & scattered over the river Swift. Men who begin buring bookd will end up burning men. Tyndale burned.
